- [ ] were asked by Dave Whipple, NIO/CT, to comment on Dave's proposed reply for the DCI to NSDD 138. The NSDD requests an "action plan" to improve counterterrorism. Based on contributions from NSA, DIA, DOE, and several components of CIA, Dave's response had enumerated initiatives totaling about [ ] principal comments were that:
  - The total dollar figure may be more than the DCI is willing to recommend, especially, considering the marginal value of some of the initiatives.
  - The recommended initiatives in the CIPC Study need to be factored into the NSDD reply.
  - Some means of rating the various initiatives seems appropriate.
  - Some management mechanism for integrating and overseeing the development of the initiatives appears needed.
- Subsequently, in response to DCI tasking to the D/ICS, [ ] has developed a revised DCI response to NSDD 138. The revision has been coordinated with Dave Whipple, and PBS. It will be forwarded to the DCI for his review and comment on 23 May.

Narcotics: [ ]

- The Narcotics Working Group met on 9 May 1984--the first such meeting with the Working Group since the publication of the CIPC Narcotics Report. The principle focus of the meeting was to:
  - review current CIA R&D efforts in the narcotics field,
  - discuss the CIPC recommendation for a SIG(I) review of narcotics, and
  - discuss the approach which the Working Group should adopt in developing the final report due by 30 September for the DDCI.
- On 13 May, [ ] attended the biweekly intelligence coordination meeting chaired by DAS Clyde Taylor, State/INM. Among the principle points discussed were the:

- 
- On 14 May, [ ] prepared, in response to a request from [ ] A/NIO/Narcotics, a contribution to Mr. McMahon's testimony before the SSCI. This input focused on the narcotics priority enhancements in the DCID 1/2 area and the NSRL's and on the status of the recommendations contained in the CIPC Narcotics Study.
  - Sanitization of the Narcotics Study has been completed. The SECRET/NOFORN version was forwarded to the Narcotics Working Group members for their review and coordination on 22 May. The draft study will be forwarded to the print shop next week for final publication.

BMD Study:

- 
- As a result of the discussions on the BMD report at the CIPC meeting on 21 May, a small subset of the Working Group will meet at [ ] on 23 May to modify the report as required. We will be making a concerted effort to facilitate final publication of the BMD study.

CBW Study:

[REDACTED]

25X1

- The CBW Working Group met on 11 and 18 May 1984 to review the third draft of the CBW Study. Much of the discussion centered on the recommendations, particularly those dealing with the NIO's "leadership" role of the CBW Community. This section and other minor portions of the report will be revised for the next meeting on 24 May 1984.

China Study:

[REDACTED]

25X1

- The China Study has been completely redrafted and reorganized. [REDACTED] is convening a meeting of the Working Group Chairman and Sub-Group Chairmen later this week to fine tune the draft study prior to forwarding it to the full Working Group for their review and coordination early next week.
